### **Long synopsis:**

Something sweet is a Comedy about Kaja, an event manager, whose career and integrity is on the line and it depends on this very special guest, her ace in a sleeve, the great, but jaded marketing guru Ace Majstorovski. But after he misses his flight from Skopje to Ljubljana, she has to prevent a catastrophe, so she replaces him with the local pastry chef, who looks exactly like him.

Being caught up in her quirky world, she finds herself lying, hiding under the table and falling in love, while Ace is on his way, getting in even more trouble. This is a sweet story of honesty, friendship and being in the moment.
